Thank You from Concerned Citizens Group of Newtown

Dear Madam Chair Drigo:

Greetings from the Concerned Citizens Group of Newtown (CCGON)!

On behalf of CCGON, I write to thank you and your organization, Rebuild Dominica Inc., for your support in procuring much needed items to sustainably carry out our community development work.

I can confirm, funds in the amount of eight hundred and fifty two Eastern Caribbean dollars (EC\$852) were received by CCGON on Friday 11 May 2018, and immediately afterwards, it went towards the purchase of one cable winch puller also known as a 'come along' and one printer-scanner.

Certainly, these tools will enable Concerned Citizens Group of Newtown to competently and creditably carry out its functions.

Your support is manifest of human and social development in motion, when Dominicans at home and abroad work together, to help build a prosperous and peaceful nation.

CCGON will keep Rebuild Dominica informed of our work in community development, including the Charcoal project, and we remain committed to working with you for the sustainable development of the Commonwealth of Dominica.

Yours Faithfully,

.....
